RE: ESSENTIAL HOME HEALTH CARE SERVICES DESIGNATION
(Expires according to state or federal order)

To Law Enforcement & Emergency Services Personnel:

The bearer of this letter is employed directly by an individual in a Medicaid or Veterans program serviced by Acumen Fiscal Agent. They provide care services in an essential capacity, providing services to vulnerable individuals, elderly, and disabled clients, who rely on these caregivers for their essential needs in their homes. Many people are not able to leave their homes alone or obtain health care elsewhere at this time. President Trump's National Emergency Orders closing non-life sustaining businesses, and any applicable shelter-in-place orders exempt essential services, including healthcare providers.

This letter verifies the essential nature of the bearer's duties and is only meant to address travel to and from work assignments and travel related to the services provided.

The programs being serviced are licensed by Medicaid, the Veterans Administration, and the Local Department of Health under the Health Care Facilities Act, and this employee is able to provide (his/her) identification badge.

If you need to verify the bearer's employment and that s/he is currently on assignment please contact Acumen Fiscal Agent 1-877-211-3738.

Sincerely,

J Auer
