Your employee must clear a background check prior to working in this program. Acumen will notify you, the employer, when this process has been completed and your employee can begin working. Acumen is not authorized to process payments to your employees that do not meet this requirement. Acumen will pay for up to 5 background checks per year.

Email, fax or mail completed forms to Acumen. <u>Acumen will notify you when your employee can begin working</u>. Do <u>not</u> allow any work to be performed prior to this notification. It will take approximately 5-7 business days before an applicant is clear for hire. However, it could take longer due to the background check process. Please allow two weeks before scheduling your employee's first day of work to be sure all federal and state clearances have been received.

Examples of completed forms can be found in the back of this packet. Although you may photocopy blank forms for future employees, Acumen recommends that you download the forms from our website to ensure that you have the most current versions. You may contact our Customer Service Center to be sure you have the most up-to-date forms or to request copies be sent to you.

#### **Employee State and Local Tax Withholding**

Georgia state and local income tax will be withheld from all employees' pay based on state and local income tax withholding guidelines. Employees who live in another state may be required to file and pay state withholding tax in Georgia and the state in which they live. Individuals in this situation should consult a tax advisor with any concerns they may have about their state tax liability.

#### **Employee Changes and Termination**

Complete the Employee Change Form if an employee changes his or her name or address. Complete the Termination Form when an employee no longer works for you. These changes should be reported to Acumen as soon as possible. Fax or mail completed forms to Acumen.

#### **Employee Files**

Acumen recommends that you always make a copy of any forms you submit and that you keep these copies in a safe place, as they contain sensitive and personal information. We recommend that you also maintain a current and accurate file on each employee hired. This file should contain all employee documentation, including but not limited to the following: W-4, G-4, I-9, and copies of completed timesheets.

#### **Confidentiality and Protection of Records**

Employees must not disclose or knowingly permit the disclosure of any information concerning the participant, the employer, or his/her family to any unauthorized person.

#### Medicaid Fraud

Medicaid fraud is committed when an EMPLOYER or EMPLOYEE is untruthful regarding services provided in order to obtain improper payment. The Medicaid Fraud Unit investigates and prosecutes people who commit fraud. Medicaid fraud is a felony, and conviction can lead to substantial penalties. Additionally, individuals convicted of Medicaid fraud can be excluded from any employment with a program or facility receiving Medicaid funding.

Examples of Medicaid Fraud include:

- Signing or submitting a timesheet for services that were not actually provided.
- Signing or submitting a timesheet for services provided by a different person.
- Signing or submitting a timesheet for services that were reimbursed by another source.
- Signing or submitting a duplicate timesheet for reimbursement from the same source.

As required by the State of Georgia, suspected cases of fraud will be referred to the state for further investigation and possible prosecution.

Form W-4 (2025) Page **2** 

#### **General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Are submitting this form after the beginning of the year;
- 2. Expect to work only part of the year;
- 3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
- 4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
- 5. Prefer the most accurate withholding for multiple job situations.

**TIP:** Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at <a href="https://www.irs.gov/w4App">www.irs.gov/w4App</a> to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

#### **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2025)

#### **Step 2(b) – Multiple Jobs Worksheet** (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

Do not accept forms claiming additional allowances unless the worksheet has been completed. Do not accept forms claiming exempt if numbers are written on Lines 4 - 7.

#### INSTRUCTIONS FOR COMPLETING FORM G-4

Enter your full name, address and social security number in boxes 1a through 2b.

Line 3: Write the letter on Line 7 according to your marital status.

- A. Single
- B. Married Filing Separate or Married Filing Joint, both spouses working
- C. Married Filing Joint, one spouse working
- D. Head of Household
- Line 4: Enter the number of dependent allowances you are entitled to claim. The term "dependent" shall have the same meaning as in the Internal Revenue Code of 1986; provided, however, that any unborn child with a detectable human heartbeat, as such terms are defined in Code Section 1-2-1, shall qualify as a dependent minor.
- Line 5: Complete the worksheet on Form G-4 if you claim Georgia adjustments Allowances. Enter the number from Line H here. Failure to complete and submit the worksheet will result in automatic denial on your claim.
- Line 6: Enter a specific dollar amount that you authorize your employer to withhold in addition to the tax withheld based on your marital status and number of allowances.
- Line 7: Enter the letter of your marital status from Line 3. Enter total of the numbers on Lines 4-5.

Line 8:

- a) Check the first box if you qualify to claim exempt from withholding. You can claim exempt if you filed a Georgia income tax return last year and the amount of Line 4 of Form 500EZ or Line 16 of Form 500 was zero, and you expect to file a Georgia tax return this year and will not have a tax liability. You cannot claim exempt if you did not file a Georgia income tax return for the previous tax year. Receiving a refund in the previous tax year does not qualify you to claim exempt.
  - **EXAMPLES**: Your employer withheld \$500 of Georgia income tax from your wages. The amount on Line 4 of Form 500EZ (or Line 16 of Form 500) was \$100. Your tax liability is the amount on Line 4 (or Line 16); therefore, you **do not qualify** to claim exempt.

Your employer withheld \$500 of Georgia income tax from your wages. The amount on Line 4 of Form 500EZ (or Line 16 of Form 500) was \$0 (zero). Your tax liability is the amount on Line 4 (or Line 16) and you filed a prior year income tax return; therefore you **qualify** to claim exempt.

- b) Check the second box if you are not subject to Georgia withholding and meet the conditions set forth under the Servicemembers Civil Relief Act. Under the Act, a spouse of a servicemember may be exempt from Georgia income tax on income from services performed in Georgia if:
  - 1. The servicemember is present in Georgia in compliance with military orders;
  - 2. The spouse is in Georgia solely to be with the servicemember;
  - 3. The servicemember maintains domicile in another state; and
  - 4. The domicile of the spouse is the same as the domicile of the servicemember or the spouse of the servicemember has elected to use the same residence for purposes of taxation as the servicemember.

Additional information for employers regarding the Military Spouses Residency Relief Act:

- 1. On the W-2 the employer should not report any of the wages as Georgia wages.
- 2. If the spouse of a servicemember is entitled to the protection of the Military Spouses Residency Relief Act in another state and files a withholding exemption form in such other state, the spouse is required to submit a Georgia Form G-4 so that withholding will occur as is required by Georgia Law when a Georgia domiciliary works in another state and withholding is not required by such other state. If the spouse does not fill out the form, the employer shall withhold Georgia income tax as if the spouse is single with zero allowances.

**Worksheet for calculating additional allowances.** Enter the information as requested by each line. For Line D, enter items such as Retirement Income Exclusion, U.S. Obligations, and other allowable deductions per Georgia Law, see the IT-511 booklet for more information.

#### Do not complete Lines 4-7 if claiming exempt.

**O.C.G.A.** § 48-7-102 requires you to complete and submit Form G-4 to your employer in order to have tax withheld from your wages. By correctly completing this form, you can adjust the amount of tax withheld to meet your tax liability. Failure to submit a properly completed Form G-4 will result in your employer withholding tax as though you are single with zero allowances.

Employers are required to mail any Form G-4 claiming more than 14 allowances or exempt from withholding to the Georgia Department of Revenue. Employers should honor the properly completed form as submitted unless otherwise notified by the Department. Such forms remain in effect until changed or until February 15 of the following year. Employers who know that a G-4 is erroneous should not honor the form and should withhold as if the employee is single claiming zero allowances until a corrected form has been received.

## Pay Selection Options for Employees

Below are the different ways employees have for getting paid through Acumen. Please read the information about each option and choose the one that is right for you. Paystubs will be sent to the email provided on the Authorization for Direct Deposit or Pay Card on the following page. You will need to provide additional information based on what you select. Please read the instructions below and return all the needed forms.

#### **Direct Deposit**

With this choice, your paycheck will be deposited into your bank account on payday. There is no charge from Acumen to get your pay through direct deposit. You will receive an email with a link to Wells Fargo Secure Document Delivery (SDD) service, to access your pay stubs. You can have your paycheck deposited into one or two accounts. You may change your account information at any time. **Please note**: You have the option to deposit a flat dollar amount or a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account for the rest of the funds to be deposited. If you choose to have a percentage amount of your check deposited into two accounts, you must show the percent you want to be deposited to each. The percent total has to equal 100%. If no amounts are given, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

#### Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card, but are used only for payroll deposits. You will receive an email with a link to Wells Fargo Secure Delivery (SDD) service, to access your pay stubs. Pay cards are up to 80% less expensive to use than check cashing services. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see <a href="https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html">https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html</a>.

Please return the completed form (page 2 of 2) to Acumen. You can send by email, fax, or mail:

Email: Enrollment@acumen2.net

Fax: (855) 295 - 9076

Mail: 5416 E. Baseline Rd., Suite 200, Mesa, AZ 85206

Note: if you do not select one of the options, Acumen will send your pay check by regular mail. See the pay schedule for pay dates. We make every effort to get your check to you by payday; but it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or mail sent to the wrong place after checks have been given to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to do a stop payment and have a new check sent out. A handling fee of \$35.00 will be taken from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card. You will receive an email with a link to Wells Fargo Secure Document Delivery (SDD) service, to access your pay stubs.

## **Employee/Employer Relationship Disclosure for Tax Exemptions**

**Employee Copy - Keep for your records** 

Employees providing domestic services such as personal assistance may be exempt from paying certain federal and state taxes based on the employee's age, student status or family relationship to the employer. In some cases, the employer may also be exempt from paying certain taxes based on the employee's status.

IMPORTANT: Please see IRS Publication: #926 – Household Employer's Tax Guide, and IRS website article: "Foreign Student Liability for Social Security and Medicare Taxes" for additional information.

#### **IMPORTANT:**

- These exemptions are not optional. If the employee and employer qualify for these tax exemptions, they must be taken.
- If the employee's earnings are exempt from these taxes, the employee may not qualify for the related benefits, such as retirement benefits and unemployment compensation.
- The questions regarding family relationship refer to the relationship between the employee and the employer of record (common law employer). In some cases, the program participant is the employer of record. In other cases, the employer of record may be someone other than the program participant. Check program rules.
- Program rules may prohibit some types of employees. For example, most Medicaid-funded programs do not permit a spouse to be paid as an employee for providing services to a spouse. Check program rules.
- Acumen Fiscal Agent LLC will determine the tax exemptions that apply to the employee and employer based on the information provided by the employee. Acumen Fiscal Agent LLC cannot provide tax advice.

# Worker's Compensation Claim Reporting Guidelines for Employees

## If there has been a workplace injury or accident, do the following:

1. If it is a life-threatening emergency, seek medical attention immediately and inform the hospital that it is a workplace injury. Notify Acumen within 24 hours of the injury.

NOTE: If it is not an emergency, please refer to the Provider Listing you received from Acumen, or call Acumen for an updated list of medical providers in your area who are authorized to treat your work-related injury, or visit our website at www.acumenfiscalagent.com/workers\_compensation/workers-compensation-ga/

- 2. Inform your employer of the injury.
- All work-related injuries (regardless of whether medical treatment is needed or not) should be reported to Acumen within 24 hours.
   Call Acumen's Worker's Compensation Hotline at 866-472-2297 within 24 hours of the injury.

## Timely reporting of accidents is important because:

- ❖ Early access to medical care may decrease recovery time!
- ❖ The claims adjuster will need ample time to investigate incidents and make the appropriate decision about your benefits.
- ❖ In most states, there is a waiting period of 7 days before compensation is dispersed. The sooner you report the claim to Acumen, the sooner the clock starts on this waiting period.

I understand that the Money Network pay card will have fees for transactions, and that I will be responsible for these fees if I choose this option. I understand that I may elect to have direct deposit to an existing pay card that is already in my name, as long as I provide supporting documentation to verify the routing & account number and name on the account. I understand that Acumen is not is not liable for any pay card fraudulent activity related to third party transactions. I understand that upon my request, Acumen may attempt a payment reversal. However if the reversal is not successful, I understand that Acumen is not responsible
