Employee State and Local Tax Withholding

Idaho state and local income tax will be withheld from all employees' pay based on state and local income tax withholding guidelines. Employees who live in another state may be required to file and pay state withholding tax in Idaho and the state in which they live. Individuals in this situation should consult a tax advisor with any concerns they may have about their state tax liability.

Employee Changes and Termination

Complete the Employee Change Form if an employee changes his or her name or address. Complete the Termination Form when an employee no longer works for you. These changes should be reported to Acumen as soon as possible. Email, fax or mail completed forms to Acumen.

Employee Files

Acumen recommends that you always make a copy of any forms you submit and that you keep these copies in a safe place, as they contain sensitive and personal information. We recommend that you also maintain a current and accurate file on each employee hired. This file should contain all employee documentation, including but not limited to the following: W-4, I-9, and copies of completed timesheets (if applicable).

Confidentiality and Protection of Records

Employees must not disclose or knowingly permit the disclosure of any information concerning the participant, the employer, or his/her family to any unauthorized person.

Medicaid Fraud

Medicaid fraud is committed when an EMPLOYER or EMPLOYEE is untruthful regarding services provided in order to obtain improper payment. The Medicaid Fraud Unit investigates and prosecutes people who commit fraud. Medicaid fraud is a felony, and conviction can lead to substantial penalties. Additionally, individuals convicted of Medicaid fraud can be excluded from any employment with a program or facility receiving Medicaid funding.

Examples of Medicaid Fraud include:

- Signing or submitting a timesheet for services that were not actually provided.
- Signing or submitting a timesheet for services provided by a different person.
- Signing or submitting a timesheet for services that were reimbursed by another source.
- Signing or submitting a duplicate timesheet for reimbursement from the same source.

As required by the State of Idaho, suspected cases of fraud will be referred to the state for further investigation and possible prosecution.

Pay Selection Options

Below are the options employees have for receiving their paychecks through Acumen. Please read the information about each option and select the one that is right for you. Paystubs will be sent through DCI Message Center. Your login information will be provided on your Good to Go. **You will need to provide additional information based on your selection; please read the instructions below and return all the necessary forms.**

Direct Deposit

With this option, your paycheck will be automatically deposited into your bank account on payday. There is no charge from Acumen to receive your pay via direct deposit. You won't have to wait for the mail or make a trip to the bank. On payday, paystubs will be sent via DCI messaging. You can have your paycheck deposited into one or two accounts, and you may change your account information at any time. **Please note:** You have the option to deposit a flat dollar amount **or** a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account in which the remainder of the funds will be deposited to. If you choose to have a percentage amount of your check deposited into two accounts, you must indicate the percentage to be deposited to each. The percentage total must be 100%. If no amounts are indicated, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. Pay cards are up to 80% less expensive to use than check cashing services. Paystubs will be delivered via DCI messaging on payday. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see:
<https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html>

Please return the completed form to Acumen. You may send by email, fax, or mail listed below:

Email: enrollment@acumen2.net

Fax: (855) 264-3290

Mail: 5416 E Baseline Rd Ste 200
Mesa, AZ 85206

Note: if you do not select one of the options, Acumen will send your paycheck via regular mail, according to the established pay schedule you have received. We make every effort to get your check to you by payday; however, it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to issue a stop payment and have a new check issued. A processing fee of \$35.00 will be deducted from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card.

AUTHORIZATION FOR DIRECT DEPOSIT or PAY CARD or PAPER CHECK

I hereby authorize Acumen Fiscal Agent, LLC (herein after "Company") to deposit any amount owed to me for wages and/or reimbursements by initiation of credit entries to my account at the financial institution (hereinafter "Bank") handling my choice indicated above. Further, I authorize Bank to accept and credit any credit entries indicated by Company to my account. In the event that Company deposits funds erroneously into my account, I authorize Company to debit my account for an amount not to exceed the original amount of the erroneous credit. This authorization is to remain in full force and effect until Company receives written notice from me of its termination in such time and in such a manner as to afford a reasonable opportunity to act on it. If my method of payment is pay card, as the pay card holder, it is my responsibility to close this account should I no longer choose to have payments deposited in this manner. If I selected Paper Check, I understand that Acumen will make every effort to ensure my check will arrive by payday; however, it is impossible to guarantee the date that my paper check will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If my paper check does not arrive within 5 business days of payday, I can call Acumen to issue a stop payment and have a new check issued. I understand that if I request a stop payment, a processing fee of \$35.00 will be deducted from my new check. If I require that this fee be waived, I must sign up for either direct deposit or a Pay Card. I understand that the Money Network pay card will have fees for transactions, and that I will be responsible for these fees if I choose this option. I understand that I may elect to have direct deposit to an existing pay card that is already in my name, as long as I provide supporting documentation to verify the routing & account number and name on the account. I understand that Acumen is not liable for any pay card fraudulent activity related to third party transactions. I understand that upon my request, Acumen may attempt a payment reversal. However, if the reversal is not successful, I understand that Acumen is not responsible and I will need to work with my institution to rectify said payment.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Under penalties of perjury, I declare that to the best of my knowledge and belief I can claim the number of withholding allowances on line 1 above.

----------------	------

1. Total number of allowances you're claiming.

Enter the number of children in your household age 16 or under as of December 31, 2024. If you have no qualifying children, enter "0." If your filing status will be head of household on your tax return, add "2" to the number of qualifying children. **Don't claim allowances for you or your spouse.** You can claim fewer allowances but not more.

If you're married, claim your allowances on the W-4 for the highest-paying job for the most accurate withholding. If you're married filing jointly, only one of you should claim the allowances. The other should claim zero allowances.

If you work for more than one employer at the same time, you should claim zero allowances on your W-4 with any employer other than your principal employer.

Write **Exempt** on line 1 if you meet **both** of the following conditions:

- Last year I had no Idaho income tax liability **and**
- This year I expect to have no Idaho income tax liability

Nonresident Aliens

Exempt income. If you're a nonresident alien and all your income is exempt from withholding, write "Exempt" on line 1.

Exempt income from a treaty. If a treaty exempts a portion of your income from withholding, complete federal Form 8233 to claim your treaty benefits, and complete the Idaho W-4 to withhold on income that's not exempt by your treaty.

Idaho taxable income. If you're a nonresident alien and have Idaho taxable income, do all of these:

1. Check the "Single" withholding status box regardless of your marital status.
2. Enter 0 on line 1.
3. Using the Pay Period table below, enter the additional amount of income tax to be withheld for each pay period on line 2. *Exception:* If you're a student or business apprentice from India, report \$0 on line 2.

Pay Period Table				
If your pay period is:	Weekly	Biweekly	Semimonthly	Monthly
Enter this amount on line 2:	\$15	\$31	\$33	\$67

The withholding table calculations for employers include the standard deduction. Because nonresident aliens don't qualify for the standard deduction, the Pay Period table helps ensure that employers withhold enough.

2. Additional amount, if any, you need withheld from each paycheck.

If you're single or married filing separately and have more than one job at a time, complete the worksheet below to calculate any additional amount you need withheld from each paycheck.

1. Other than your primary job, how many jobs do you expect to have at the same time during 2024? (Don't count your primary job.) _____
2. Multiply the number on line 1 by \$13,850 _____
3. Enter an estimate of your 2024 income from other jobs (not including your primary job) _____
4. Enter the smaller of lines 2 or 3 _____
5. If you completed the itemized deduction worksheet for Idaho (tax.idaho.gov/w4), enter the number from line 4. Otherwise, enter "0" _____
6. Multiply the number on line 5 by \$3,534..... _____
7. Subtract line 6 from line 4 _____
8. Multiply line 7 by 5.8% (.058). This is the additional amount you need to withhold annually _____
9. Divide the amount on line 8 by the number of your remaining pay periods in 2024. Enter the number on line 2 of the W-4 as the additional amount you need withheld from each paycheck _____
