

Employee Packet (keep this folder for your records)

Inside this folder you will find the necessary forms to hire an employee in this program. Please refer to the information provided in Sections 3 and 4 of your Employee Handbook.

Before a person can be hired as an employee, that person must be able to provide the services you need (Applicant Verification Form) and pass a criminal background check.

I	ou will need to complete the following steps in order to fille an employee.
•	Interview applicants and decide who you think would be the best fit for your particular needs.
•	Have the person you decide to hire complete and send the following to Acumen:
	☐ Applicant Verification Form (your support coordinator will complete this with you)
	☐ I-9 Employment Eligibility Verification
	 Your employee fills out Section I.
	 As the Employer, you fill out Section II. Employers must enter the date the
	employee began or will begin work for pay on the I-9. If the actual date of hire (first
	date of providing services for pay) for the employee changes from the date entered,
	it is the employer's responsibility to correct and re-submit the form to Acumen within
	three days of the actual date of hire.
	 To review Frequently Asked Questions about Form I-9, please visit
	www.acumenfiscalagent.com, choose your state, and then find your program.
	☐ W-4 Employee's Withholding Allowance Certificate
	□ L-4 State of Louisiana Employee Withholding Exemption Certificate
	☐ Pay Selection Agreement
	☐ Authorization for Direct Deposit/Pay Card (send voided check or bank letter for direct deposit)
	☐ Employment Application
	☐ Provider Agreement
	☐ Statement of Understanding of Tasks
	☐ Criminal Background Check Authorization

Examples of completed forms can be found in the back of this packet.

□ Employee Information Form

Your employee must clear a background check and direct service worker registry check prior to working in this program. Acumen will notify you, the employer, when this has been completed and your employee can begin working. Acumen is not authorized to process payments to employees that do not meet this requirement. Do not allow any work to be performed prior to this notification. It will take approximately 3-4 business days before an applicant is clear for hire. However, it could take longer due to the background check process. Please allow two weeks before scheduling your employee's first day of work to be sure all federal and state clearances have been received.

Employee State and Local Tax Withholding

Louisiana state and local income tax will be withheld from all employees' pay based on state and local income tax withholding guidelines. Employees who live in another state may be required to file and pay state withholding tax in Louisiana and the state in which they live. Individuals in this situation should consult a tax advisor with any concerns they may have about their state tax liability.

Employee Changes and Termination

Complete the Employee Change Form if an employee changes his or her name or address. Complete the Termination Form when an employee no longer works for you. These changes should be reported to Acumen as soon as possible. Fax or mail completed forms to Acumen. Remember, you must notify Acumen when you terminate an employee or when an employee stops working for you. You must also mail a completed "Verification of Employment or Termination" form to the Self Directed Program Manager. Please refer to Section 6 of your Employer Handbook.

Employee Files

Acumen recommends that you always make a copy of any forms you submit and that you keep these copies in a safe place, as they contain sensitive and personal information. Please refer to Section 2 of your Employer Handbook.

Confidentiality and Protection of Records

Employees must not disclose or knowingly permit the disclosure of any information concerning the participant, the employer, or his/her family to any unauthorized person.

Benefits

Your employees may be eligible for healthcare benefits such as Major Medical, Limited Medical, Dental and other health benefits. Acumen has partnered with a company that provides these benefits to employees even if your employee does not work full time. Please contact us for more information.

Earned Income Credit

Some employees are eligible for Earned Income Tax Credit (EITC). EITC is a refundable federal income tax credit for low to moderate income working individuals and families. To qualify, taxpayers must meet certain requirements and file a tax return, even if they do not have a filing requirement. To learn more about the rules and income limits to qualify for EITC, contact the IRS at www.irs.gov/eitc or call (800) 829-1040.

Progress Notes

Progress notes are notes that describe the participant's day-to-day activities and progress toward achieving personal outcomes, as identified in the approved Plan of Care. All employees <u>must</u> complete progress notes. Progress notes must include sufficient content and must:

- Reflect descriptions of activities, procedures, and incidents
- Give a picture of the service provided
- Show progress toward personal outcomes
- Record any changes in medical condition, behavior, or home situation which may indicate a need for reassessment and Plan of Care change,
- Record any changes or deviations from the Typical Weekly Schedule in the approved Plan of Care, and
- Reflect each entry on the timesheet

Checklists alone are not adequate documentation for progress notes. The following examples of general terms when used alone are **not** sufficient content for progress notes:

- "Supported participant" or "Assisted participant"
- "Participant is doing fine" or "Participant had a good day"
- "Prepared meals"

All progress note entries must be legible and written in ink. They must also include the name, title, and legible signature of the person making the entry and the full date of the documentation. Progress notes do <u>not</u> need to be submitted to Acumen. Your support coordinator will review progress notes every quarter to monitor progress toward personal goals. Please refer to Section 2 (Service Documentation) in your Employer Handbook.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Are submitting this form after the beginning of the year;
- 2. Expect to work only part of the year;
- 3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
- 4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
- 5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/w4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2025)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2 a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) - Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$30,000 if you're married filing jointly or a qualifying surviving spouse • \$22,500 if you're head of household • \$15,000 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

Pay Selection Options

Below are the options employees have for receiving their paychecks through Acumen. Please read the information about each option and select the one that is right for you. Paystubs will be sent through DCI Message Center. Your login information will be provided on your Good to Go. You will need to provide additional information based on your selection; please read the instructions below and return all the necessary forms.

Direct Deposit

With this option, your paycheck will be automatically deposited into your bank account on payday. There is no charge from Acumen to receive your pay via direct deposit. You won't have to wait for the mail or make a trip to the bank. On payday, paystubs will be sent via DCI messaging. You can have your paycheck deposited into one or two accounts, and you may change your account information at any time. **Please note:** You have the option to deposit a flat dollar amount **or** a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account in which the remainder of the funds will be deposited to. If you choose to have a percentage amount of your check deposited into two accounts, you must indicate the percentage to be deposited to each. The percentage total must be 100%. If no amounts are indicated, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. Pay cards are up to 80% less expensive to use than check cashing services. Paystubs will be delivered via DCI messaging on payday. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see: https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html

Please return the completed form to Acumen. You may send by email, fax, or mail listed below:

Email: enrollment@acumen2.net

Fax: (866)923-5334

Mail: 5416 E Baseline Rd., Ste 200, Mesa, AZ 85206

Note: if you do not select one of the options, Acumen will send your paycheck via regular mail, according to the established pay schedule you have received. We make every effort to get your check to you by payday; however, it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to issue a stop payment and have a new check issued. A processing fee of \$35.00 will be deducted from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card.

Employee/Employer Relationship Disclosure for Tax Exemptions

Employee Copy - Keep for your records

Employees providing domestic services such as personal assistance may be exempt from paying certain federal and state taxes based on the employee's age, student status or family relationship to the employer. In some cases, the employer may also be exempt from paying certain taxes based on the employee's status.

IMPORTANT: Please see IRS Publication: #926 – Household Employer's Tax Guide, and IRS website article: "Foreign Student Liability for Social Security and Medicare Taxes" for additional information.

IMPORTANT:

- These exemptions are not optional. If the employee and employer qualify for these tax exemptions they must be taken.
- If the employee's earnings are exempt from these taxes, the employee may not qualify for the related benefits, such as retirement benefits and unemployment compensation.
- The questions regarding family relationship refer to the relationship between the employee and the employer of record (common law employer). In some cases, the program participant is the employer of record. In other cases, the employer of record may be someone other than the program participant. Check program rules.
- Program rules may prohibit some types of employees. For example, most Medicaid-funded programs do not permit a spouse to be paid as an employee for providing services to a spouse. Check program rules.
- Acumen Fiscal Agent LLC will determine the tax exemptions that apply to the employee and employer based on the information provided by the employee. Acumen Fiscal Agent LLC cannot provide tax advice.

DESCRIPTION/DEFINITIONS

Self-Direction is a service delivery option which allows eligible Medicaid participants (or their authorized representative) to become the Employer of the workers they choose to hire to provide supports for them.

Self-Direction is supported by both federal and state funds. These funds are used to pay **Providers**, or employees, to provide specific services to eligible participants, as authorized by the OCDD or OAAS.
