

Acumen Training Schedule for NJ DDD

The table below lists the training dates and times Acumen recommends for each role based on the Cohort your Participant is assigned to. However, if you're unable to attend the suggested sessions, you're welcome to join the other trainings listed in the complete training schedule.

Enrollment: In this training, you'll learn how to create an account in Acumen's electronic enrollment system, complete all required enrollment information, and electronically sign enrollment packets. The session will include a live demonstration, and you'll have the chance to ask questions along the way. By the end of the training, you'll feel confident navigating the system and completing the enrollment process smoothly.

DCI System: In this training, you'll learn how to navigate the DCI system using both the web and mobile versions to complete the essential tasks required for your role. The session will include a live demonstration, and you'll have the opportunity to ask questions in real time. By the end of the training, you'll be comfortable using DCI to manage your responsibilities efficiently.
