

Pay Selection Options Agreement

Below are the different ways employees have for being paid by Acumen. Please read the information about each option and choose the one that is right for you. Paystubs will be sent to the email provided on the Authorization for Direct Deposit or Pay Card on the following page. **You will need to provide additional information based on what you select. Please read the instructions below and return all the needed forms.**

Direct Deposit

With this choice, your paycheck will be deposited into your bank account on payday. There is no charge from Acumen to get your pay through direct deposit. You will receive an email with a link to Wells Fargo Secure Document Delivery (SDD) service, to access your pay stubs. You can have your paycheck deposited into one or two accounts. You may change your account information at any time. **Please note:** You have the option to deposit a flat dollar amount or a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account for the rest of the funds to be deposited. If you choose to have a percentage amount of your check deposited into two accounts, you must show the percent you want to be deposited to each. The percentage total has to equal 100%. If no amounts are given, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. You will receive an email with a link to Wells Fargo Secure Delivery (SDD) service, to access your pay stubs. Pay cards are up to 80% less expensive to use than check cashing services. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. **You will need to activate the card with Money Network and then contact Acumen with your account information.** You will receive paper checks by mail until this process is complete. For a complete fee schedule, see <https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html>.

Note: if you do not select one of the options, Acumen will send your paycheck by regular mail. See the pay schedule for pay dates. We make every effort to get your check to you by payday; but it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or mail sent to the wrong place after checks have been given to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to do a stop payment and have a new check sent out. A handling fee of \$35.00 will be taken from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card. You will receive an email with a link to Wells Fargo Secure Document Delivery (SDD) service, to access your pay stubs.
