Email, Fax or Mail Information to Acumen Acumen Fiscal Agent, LLC. 5416 E. Baseline Rd., Suite 200, Mesa, AZ 85206 <u>enrollment@acumen2.net</u> Fax: (866) 862-6862 Employment law is complicated. It is considered a specialty area in the legal profession. The purpose of this overview is to briefly review some requirements in a general way. <u>This overview should in no</u> way be considered a substitute for competent legal counsel.

When You Hire an Employee:

- 1. It is important to not discriminate against an applicant because of their age, race, color, religion, sex, national origin, or disability.
- 2. You must hire people who are authorized to work in the United States citizens and legal aliens with proper documentation. You are required to complete a Form I-9 to verify their authorization to work. Employers must enter the date the employee began or will begin work for pay on the I-9. If the actual date of hire (first date of providing services for pay) for the employee changes from the date entered, it is the employer's responsibility to correct and resubmit the form to Acumen within three days of the actual date of hire.
- 3. Avoid the temptation to classify your workers as independent contractors, as they probably are not. If you are not sure if someone providing a service for you is an employee or an independent contractor, go to the IRS website at www.irs.gov and fill out an SS-8 Form. Just type in SS8 in the search box. This form will help you to determine which classification to use.

After You Hire an Employee:

- 1. The work environment must be "free from recognized hazards that are causing or are likely to cause death or serious physical harm."
- 2. Your employees should not be subjected to circumstances that would create a "hostile work environment." Such an environment can be many things, but an employee should never be subjected to sexual harassment or belittlement, jokes, or prejudice because of their age, race, color, religion, sex, national origin, or disability.

If You Need to Terminate Employment:

If your state is an "at will" state, it means both you and your employee have the right to terminate employment with or without cause; but it is important that you treat people professionally and fairly. You cannot terminate or lay off an employee because of their age, race, color, religion, sex, national origin, or disability. Remember, you must notify Acumen whenever you terminate an employee or when an employee stops working for you.

Workers' Compensation

This program requires that the employer have Workers' Compensation. Upon enrollment, your employees are automatically covered by Workers' Compensation insurance with an "A" rated company. There are no additional forms you need to fill out.

Remember, you can do your part to prevent injury and keep the cost of this Workers' Compensation insurance down by providing a safe, hazard free workplace, and by training your employees on how best to support you.

Please report all work-related injuries to Acumen within 24 hours. For more information or to report an injury, please call (866) 472-2297.

Fraud

Fraud is committed when an EMPLOYER or EMPLOYEE is untruthful regarding services provided, in order to obtain improper payment. The Fraud Unit investigates and prosecutes people who commit fraud. Fraud is a felony, and conviction can lead to substantial penalties.

Examples of Fraud include:

- Signing or submitting a timesheet for services that were not actually provided.
- Signing or submitting a timesheet for services provided by a different person.
- Signing or submitting a timesheet for services that were reimbursed by another source.
- Signing or submitting a duplicate timesheet for reimbursement from the same source.

To view Acumen's False Claims Policy go to <u>www.acumenfiscalagent.com</u>, click on the "Resources" tab then locate our "False Claim Policy."

Reports

We will provide you with a report each month. It is important to read the report and to call us with any questions that you may have. The report summarizes your employee's time, your beginning allocation, and declining balance, so you are aware of the remaining amount after each payment. This report is emailed to you for your convenience if we have your email address on file!

Or, you can access various reports at any time through the use of your DCI Web Portal account. Your DCI Web Portal account will be assigned to you after your enrollment paperwork is complete!

Remember, only services that are approved in your Authorization will be paid through this program. As an employer, if you cause work to be performed over and above what you have been approved for, you are responsible for paying for those services.

Reminder:

Having Acumen as your Fiscal Employer Agent does nothing to the employer-employee relationship. Acumen is **not** the employer.

There are three major players, each with a distinct role, within a self-directed program. Knowing the differences between them can be hard. Please refer to the table below when trying to determine who does what.

Section II - Assign Roles and Responsibilities

Т

To give a new agent access to your account, check the role(s) you want the agent to have and enter the "Access Begin Date" (must be the beginning of a quarter for "Wage Submission") and "Access End Date" (optional) for the selected roles.

For all roles except "Wage Submission," once an end date is entered, the agent will no longer have access to those roles after the "Access End Date" provided. If no end date is entered, the access will continue indefinitely.

For "Wage Submission," the dates of access will allow the agent to update your wage records for all quarters within the access dates, regardless of the current date. For example, if you give an agent access for the first quarter of the year, the agent will be able to access the wage records for that quarter at any time. If you wish to completely remove access for the agent, which would prevent them from accessing quarters they were previously authorized for, select the "Remove Access" box for the agent.

You cannot grant two agents access to the same role during the same time period. If you want to change agents, you must remove the role from the existing agent by entering an "Access End Date."

:	To what role does the authorization or dissolution selected in Section II apply? (Please check all that apply.)	 For the roles selected in question 1a, provide "Access Begin Da and "Access End Date" (Optional)
