History (CCH) check may be performed by accessing the Texas Department of Public Safety Secure Website and may be based on name and DOB identifiers. (This is not a consent form, but serves as information for the applicant.) Authority for this agency to access an individual's criminal history data may be found in Texas Government Code 411; Subchapter F.

Name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history record information (CHRI), therefore the organization conducting the criminal history check is not allowed to discuss with me any CHRI obtained using the name and DOB method. The agency may request that I also have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

In order to complete the fingerprint process I must make an appointment with the Fingerprint Applicant Services of Texas (FAST) as instructed online at www.txdps.state.tx.us */Crime Records/Review of Personal Criminal History* or by calling the DPS Program Vendor at 1-888-467-2080, submit a full and complete set of fingerprints, request a copy be sent to the agency listed below, and pay a fee of $25.00 to the fingerprinting services company.

Once this process is completed the information on my fingerprint criminal history record may be discussed with me.

Occupational Exposure to Bloodborne Pathogens

Universal Precautions

Blood has long been recognized as a potential source of pathogenic microorganisms that may present a risk to individuals who are exposed during the performance of their duties. Universal precautions is the method of control required by the Occupational Safety and Health Administration (OSHA) to protect employees from exposure to all human blood and body fluids. **Universal precautions** refers to a concept of bloodborne disease control, which requires that all human blood and certain human body fluids be treated as if known to be infectious for HIV (the virus that causes AIDS), the Hepatitis B virus and other bloodborne pathogens.

Protective barriers reduce the risk of exposure to blood, body fluids containing visible blood and other fluids to which universal precautions apply. Examples of protective barriers include gloves, gowns, masks and protective eyewear. Universal precautions are intended to supplement rather than replace recommendations for routine infection control, such as hand-washing and using gloves to prevent gross microbial contamination of hands. Universal precautions will be used during the provision of services as applicable and appropriate.

Employee Initials: _____ Date: _____

Hepatitis B

Hepatitis B is a serious infection involving the liver. Hepatitis B virus (HBV) can cause lifelong infection, cirrhosis (scarring) of the liver, liver cancer, liver failure and death. Hepatitis B is spread when blood or body fluids from an infected person enters the body of a person who is not infected. HBV is a major infectious occupational hazard for health care. Any health-care worker may be at risk for HBV exposure depending on the tasks that he or she performs. Workers should be vaccinated if their tasks involve contact with blood or blood-contaminated body fluids.

Employee Initials: _____ Date: _____

Hepatitis B Vaccination

OSHA standards effective June 4, 1992, require that employers make available the Hepatitis B vaccine and vaccination series to all employees who have occupational exposure. The Hepatitis B vaccine is available at no cost to the employee. The cost to provide vaccinations is an administrative expense to the employer and is reimbursable through the individuals's program budget.

The vaccine is administered in a prescribed series of three injections over a six-month period:

Dose 2 is administered 30 days after Dose 1.

Dose 3 is administered five months following Dose 2.

The employee is responsible for requesting from the healthcare provider administering the vaccination additional information specific to the efficiency, safety, benefits, method of administration and potential side effects of the Hepatitis B vaccination.

The employee may elect to **receive** or **decline** the Hepatitis B vaccination.

Employee Initials: _____ Date: _____

Informed Choice Related to Hepatitis B Vaccination

Employee Statement – Check one statement below.

☐ I **agree** to receive the Hepatitis B vaccination and will be reimbursed by my employer within 30 days of presenting a paid receipt for each dose. I understand that I will only be reimbursed for doses received while employed by the employer.

☐ I **agree** to receive the Hepatitis B vaccination and the employer and I have agreed to the following arrangement(s) related to covering the cost of the vaccination:

☐ I **decline** the Hepatitis B vaccination at this time because I have previously received the Hepatitis B vaccination.

☐ I **decline** the Hepatitis B vaccination.

*** I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine at this time. However, I decline the Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me.**

Long-term care employers in Texas, including Consumer Directed Service (CDS) employers, are required under 26 Texas Administrative Code (TAC), Part 1, Chapter 711 and Texas Health and Safety Code Chapter 253 to inform new unlicensed employees about the Employee Misconduct Registry (EMR).

The purpose of the EMR is to make sure an unlicensed person who commits an act of abuse, neglect or exploitation that meets the definition of reportable conduct against a consumer receiving services from a facility or against a person receiving services in the CDS option is not employed in the Texas Health and Human Services Commission (HHSC) regulated facilities and in certain programs including CDS. The EMR applies to employees who provide personal care services, treatment or any other personal services and are not licensed by the state to perform the services.

A person listed in the EMR is not employable by a facility, agency or individual employer. The EMR is governed by 26 TAC, Part 1, Chapter 711 and Texas Health and Safety Code Chapter 253. Regarding a CDS employee, the Department of Family and Protective Services (DFPS) conducts EMR investigations and makes findings per DFPS rules at 40 TAC, Part 19, Chapter 705, Subchapter O.

Rules about the EMR are on the Secretary of State's website at:
https://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=5&ti=40&pt=19&ch=705&sch=O&rl=Y
.

Questions may be directed to HHSC Professional Credentialing Enforcement Unit at 409-667-3081.

The employer must provide the employee with a copy of this notice.

Give Form W-4 to your employer.
Your withholding is subject to review by the IRS.

OMB No. 1545-0074

2025

Step 1: Enter Personal Information

Physical Address Required (No P.O. Box)

(a) First name and middle initial	Last name	(b) Social security number
Address		**Does your name match the name on your social security card?** If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to *www.ssa.gov*.
City or town, state, and ZIP code		

(c) ☐ **Single** or **Married filing separately**
☐ **Married filing jointly** or **Qualifying surviving spouse**
☐ **Head of household** (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

TIP: Consider using the estimator at *www.irs.gov/W4App* to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at *www.irs.gov/W4App*.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at *www.irs.gov/W4App* for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

If applicable -->

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate . . . . . ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits

If your total income will be $200,000 or less ($400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by $2,000 $ _____

Multiply the number of other dependents by $500 . . . . . $ _____

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here . . . . . **3** $

Required field even if "0".

Step 4 (optional): Other Adjustments

Optional. Please refer to the instructions.

(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . . **4(a)** $

(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here . . . . . **4(b)** $

(c) Extra withholding. Enter any additional tax you want withheld each **pay period** . . **4(c)** $

If filing exempt, leave Steps 2, 3 & 4 blank. Write EXEMPT here -->

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Employee's signature (This form is not valid unless you sign it.) _____ **Date** _____

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Are submitting this form after the beginning of the year;

2. Expect to work only part of the year;

3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;

4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. *Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.*

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than $120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . **1** $

2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** $

b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . **2b** $

c Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** $

3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3**

4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . **4** $

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

1 Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $10,000), and medical expenses in excess of 7.5% of your income . . . . . **1** $

2 Enter:
- $30,000 if you're married filing jointly or a qualifying surviving spouse
- $22,500 if you're head of household
- $15,000 if you're single or married filing separately

. . . . . **2** $

3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . **3** $

4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . **4** $

5 **Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . **5** $

Pay Selection Options

Below are the options employees have for receiving their paychecks through Acumen. Please read the information about each option and select the one that is right for you. Paystubs will be sent through DCI Message Center. Your login information will be provided on your Good to Go. **You will need to provide additional information based on your selection; please read the instructions below and return all the necessary forms.**

Direct Deposit

With this option, your paycheck will be automatically deposited into your bank account on payday. There is no charge from Acumen to receive your pay via direct deposit. You won't have to wait for the mail or make a trip to the bank. On payday, paystubs will be sent via DCI messaging. You can have your paycheck deposited into one or two accounts, and you may change your account information at any time. **Please note:** You have the option to deposit a flat dollar amount **or** a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account in which the remainder of the funds will be deposited to. If you choose to have a percentage amount of your check deposited into two accounts, you must indicate the percentage to be deposited to each. The percentage total must be 100%. If no amounts are indicated, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. Pay cards are up to 80% less expensive to use than check cashing services. Paystubs will be sent by email on payday. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see: https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html

Please return the completed form to Acumen. You may send by email, fax, or mail listed below:

Email: enrollment-tx@acumen2.net
Fax: (855) 264 - 3287
Mail: 1130 E. Arapaho Rd., Suite 525, Richardson, TX 75081

Note: if you do not select one of the options, Acumen will send your paycheck via regular mail, according to the established pay schedule you have received. We make every effort to get your check to you by payday; however, it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to issue a stop payment and have a new check issued. A processing fee of $35.00 will be deducted from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card.

Employees providing domestic services such as personal assistance may be exempt from paying certain federal and state taxes based on the employee's age, student status or family relationship to the employer. In some cases, the employer may also be exempt from paying certain taxes based on the employee's status.

IMPORTANT: Please see IRS Publication: #926 – Household Employer's Tax Guide, and IRS website article: "Foreign Student Liability for Social Security and Medicare Taxes" for additional information.

Step 1: Enter Personal Information

Physical Address Required (No P.O. Box)

(a) First name and middle initial	Last name	(b) Social security number
Jane E.	Employee	123-45-6789

Address: 111 Maine St Apt 2

City or town, state, and ZIP code: Anytown, State 12345

Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to *www.ssa.gov*.

(c)
- [X] **Single** or **Married filing separately**
- [ ] **Married filing jointly** or **Qualifying surviving spouse**
- [ ] **Head of household** (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

TIP: Consider using the estimator at *www.irs.gov/W4App* to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at *www.irs.gov/W4App*.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at *www.irs.gov/W4App* for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

If applicable -->

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate . . . . . ☐

Complete Steps 3–4(b) on Form W-4 for ONLY ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits

If your total income will be $200,000 or less ($400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by $2,000 $ 0

Multiply the number of other dependents by $500 . . . . . $ 0

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here . . . . . **3** $ 0

Required field even if "0".

Step 4 (optional): Other Adjustments

Optional. Please refer to the instructions.

(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . . **4(a)** $

(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here . . . . . **4(b)** $

(c) Extra withholding. Enter any additional tax you want withheld each **pay period** . . **4(c)** $

If filing exempt, leave Steps 2, 3 & 4 blank. Write EXEMPT here -->

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Occupational Exposure to Bloodborne Pathogens

Universal Precautions

Blood has long been recognized as a potential source of pathogenic microorganisms that may present a risk to individuals who are exposed during the performance of their duties. Universal precautions is the method of control required by the Occupational Safety and Health Administration (OSHA) to protect employees from exposure to all human blood and body fluids. **Universal precautions** refers to a concept of bloodborne disease control, which requires that all human blood and certain human body fluids be treated as if known to be infectious for HIV (the virus that causes AIDS), the Hepatitis B virus and other bloodborne pathogens.

Protective barriers reduce the risk of exposure to blood, body fluids containing visible blood and other fluids to which universal precautions apply. Examples of protective barriers include gloves, gowns, masks and protective eyewear. Universal precautions are intended to supplement rather than replace recommendations for routine infection control, such as hand-washing and using gloves to prevent gross microbial contamination of hands. Universal precautions will be used during the provision of services as applicable and appropriate.

Employee Initials: EE Date: 06/23/2017

Hepatitis B

Hepatitis B is a serious infection involving the liver. Hepatitis B virus (HBV) can cause lifelong infection, cirrhosis (scarring) of the liver, liver cancer, liver failure and death. Hepatitis B is spread when blood or body fluids from an infected person enters the body of a person who is not infected. HBV is a major infectious occupational hazard for health care. Any health-care worker may be at risk for HBV exposure depending on the tasks that he or she performs. Workers should be vaccinated if their tasks involve contact with blood or blood-contaminated body fluids.

Employee Initials: EE Date: 06/23/2017

Hepatitis B Vaccination

OSHA standards effective June 4, 1992, require that employers make available the Hepatitis B vaccine and vaccination series to all employees who have occupational exposure. The Hepatitis B vaccine is available at no cost to the employee. The cost to provide vaccinations is an administrative expense to the employer and is reimbursable through the individuals's program budget.

The vaccine is administered in a prescribed series of three injections over a six-month period:

Dose 2 is administered 30 days after Dose 1.

Dose 3 is administered five months following Dose 2.

The employee is responsible for requesting from the healthcare provider administering the vaccination additional information specific to the efficiency, safety, benefits, method of administration and potential side effects of the Hepatitis B vaccination.

The employee may elect to **receive** or **decline** the Hepatitis B vaccination.

☐ I **decline** the Hepatitis B vaccination at this time because I have previously received the Hepatitis B vaccination.

*** I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine at this time. However, I decline the Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me.**

Management and Training of Service Provider Addendum

Employee Misconduct Registry Notification

Employee Name: EMILY EMPLOYEE Date of Hire: 01/07/2017

Position: DIRECT CARE STAFF Employer Name: ELAINE EMPLOYER

Long-term care employers in Texas, including Consumer Directed Service (CDS) employers, are required under 26 Texas Administrative Code (TAC), Part 1, Chapter 711 and Texas Health and Safety Code Chapter 253 to inform new unlicensed employees about the Employee Misconduct Registry (EMR).

The purpose of the EMR is to make sure an unlicensed person who commits an act of abuse, neglect or exploitation that meets the definition of reportable conduct against a consumer receiving services from a facility or against a person receiving services in the CDS option is not employed in the Texas Health and Human Services Commission (HHSC) regulated facilities and in certain programs including CDS. The EMR applies to employees who provide personal care services, treatment or any other personal services and are not licensed by the state to perform the services.

A person listed in the EMR is not employable by a facility, agency or individual employer. The EMR is governed by 26 TAC, Part 1, Chapter 711 and Texas Health and Safety Code Chapter 253. Regarding a CDS employee, the Department of Family and Protective Services (DFPS) conducts EMR investigations and makes findings per DFPS rules at 40 TAC Part 19, Chapter 705, Subchapter O.

Rules about the EMR are on the Secretary of State's website at:
https://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=5&ti=40&pt=19&ch=705&sch=O&rl=Y

.

Questions may be directed to HHSC Professional Credentialing Enforcement Unit at 409-667-3081.

The employer must provide the employee with a copy of this notice.

I, EMILY EMPLOYEE, have read and understand the above notification.
