

Employee Packet

(Keep this folder for your records)

You will need to complete the following steps in order to hire an employee:

- Interview applicants and decide who you think would be the best fit for your particular needs.
- Have the person you decide to hire complete and send the following to Acumen:
 - I-9 Employment Eligibility Verification
 - Your employee fills out **Section I**.
 - As the Employer, you fill out **Section II**. Employers must enter the date the employee began or will begin work for pay on the I-9. If the actual date of hire (first date of providing services for pay) for the employee changes from the date entered, it is the employer's responsibility to correct and re-submit the form to Acumen within three days of the actual date of hire.
 - To review Frequently Asked Questions about Form I-9, please visit www.acumenfiscalagent.com/Resources.
 - Copies of acceptable documents to support I-9 form (*copies must be clear and readable*)
 - W-4 Employee's Withholding Allowance Certificate (*for detailed instructions on how to complete this form go to www.irs.gov and type W-4 in the search box*)
 - Form VA-4 Commonwealth of Virginia Department of Taxation Personal Exemption Worksheet (*for detailed instructions on how to complete this form go to <https://www.tax.virginia.gov/forms/> and type VA-4 in the search box*)
 - Personal Assistant Service Agreement
 - Employee Agreement
 - Background Check Request/Waiver form
 - Pay Selection Agreement (include voided check or bank letter for direct deposit)

Fax or mail completed forms to Acumen. Acumen will notify you when your employee can begin working. Do not allow any work to be performed prior to this notification. It will take approximately 3-4 business days before an applicant is clear for hire.

It will take several weeks for the results of the background check to be returned. While you have the option to have your employee start prior to the results of the background check, I understand and assume responsibility for all liability associated with my decision if I decide to hire an employee prior to a criminal background check or hire a person with a criminal history.

Although you may photocopy blank forms for future employees, Acumen recommends that you download the forms from our website to ensure that you have the most current versions. You may contact our Customer Service Center to be sure you have the most up-to-date forms or to request copies be sent to you.

Employee Changes and Termination

Complete the *Employee Change Form* if an employee changes his or her name or address. Complete the *Employee Termination Form* when an employee no longer works for you. These changes should be reported to Acumen as soon as possible. Email, fax or mail completed forms to Acumen.

Employee Files

Acumen recommends that you always make a copy of any forms you submit and that you keep these copies in a safe place, as they contain sensitive and personal information. We recommend that you also maintain a current and accurate file on each employee hired. This file should contain all employee documentation, including but not limited to the following: W-4, VA-4, I-9, Employee Agreement, PAS Agreement, etc.

Confidentiality and Protection of Records

Employees must not disclose or knowingly permit the disclosure of any information concerning the consumer, the employer, or his/her family to any unauthorized person.

Earned Income Credit

Some employees are eligible for Earned Income Tax Credit (EITC). EITC is a refundable federal income tax credit for low to moderate income working individuals and families. To qualify, taxpayers must meet certain requirements and file a tax return, even if they do not have a filing requirement. To learn more about the rules and income limits to qualify for EITC, contact the IRS at www.irs.gov/eitc or call 1-800-829-1040.

Fraud

Fraud is committed when an EMPLOYER or EMPLOYEE is untruthful regarding services provided, in order to obtain improper payment. The Fraud Unit investigates and prosecutes people who commit fraud. Fraud is a felony and a conviction can lead to substantial penalties.

Examples of Fraud include:

- Signing or submitting a time sheet for services which were not actually provided
- Signing or submitting a time sheet for services provided by a different person
- Signing or submitting a time sheet for services which were reimbursed by another source
- Signing or submitting a duplicate time sheet for reimbursement from the same source

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Privacy Act Statement

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Applicant's Rights: Your fingerprints will be used to check the criminal history records of the FBI and the Central Criminal Records Exchange (CCRE) of the Virginia State Police. You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of state or federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council. If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>. If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) You may obtain a copy of your Virginia Criminal History by submitting form SP-167, available at http://www.vsp.state.va.us/CJIS_Criminal_Record_Check.shtm, to the CCRE. *You may challenge the accuracy or completeness of a Virginia criminal history record through the CCRE Expungement/Record Challenge Section, which can be reached at (804) 674-6723 for further information about this process.*

Pay Selection Options

Below are the options employees have for receiving their paychecks through Acumen. Please read the information about each option and select the one that is right for you. Paystubs will be sent through DCI Message Center. Your login information will be provided on your Good to Go. **You will need to provide additional information based on your selection; please read the instructions below and return all the necessary forms.**

Direct Deposit

With this option, your paycheck will be automatically deposited into your bank account on payday. There is no charge from Acumen to receive your pay via direct deposit. You won't have to wait for the mail or make a trip to the bank. On payday, paystubs will be sent via DCI messaging. You can have your paycheck deposited into one or two accounts, and you may change your account information at any time. **Please note:** You have the option to deposit a flat dollar amount **or** a percentage amount of your check to the primary account. If you choose to have a flat dollar amount deposited into your primary account, you will need to provide a secondary account in which the remainder of the funds will be deposited to. If you choose to have a percentage amount of your check deposited into two accounts, you must indicate the percentage to be deposited to each. The percentage total must be 100%. If no amounts are indicated, 100% will be deposited into the primary account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. Pay cards are up to 80% less expensive to use than check cashing services. Paystubs will be delivered via DCI messaging on payday. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see: <https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html>

Please return the completed form to Acumen. You may send by email, fax, or mail listed below:

Email: enrollment@acumen2.net

Fax: 866-499-3076

Mail: 5416 E. Baseline Rd. Suite 200, Mesa, AZ 85206

Note: if you do not select one of the options, Acumen will send your paycheck via regular mail, according to the established pay schedule you have received. We make every effort to get your check to you by payday; however, it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to issue a stop payment and have a new check issued. A processing fee of \$35.00 will be deducted from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card.

AUTHORIZATION FOR DIRECT DEPOSIT or PAY CARD or PAPER CHECK

I hereby authorize Acumen Fiscal Agent, LLC (herein after "Company") to deposit any amount owed to me for wages and/or reimbursements by initiation of credit entries to my account at the financial institution (hereinafter "Bank") handling my choice indicated above. Further, I authorize Bank to accept and credit any credit entries indicated by Company to my account. In the event that Company deposits funds erroneously into my account, I authorize Company to debit my account for an amount not to exceed the original amount of the erroneous credit. This authorization is to remain in full force and effect until Company receives written notice from me of its termination in such time and in such a manner as to afford a reasonable opportunity to act on it. If my method of payment is pay card, as the pay card holder, it is my responsibility to close this account should I no longer choose to have payments deposited in this manner. If I selected Paper Check, I understand that Acumen will make every effort to ensure my check will arrive by payday; however, it is impossible to guarantee the date that my paper check will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If my paper check does not arrive within 5 business days of payday, I can call Acumen to issue a stop payment and have a new check issued. I understand that if I request a stop payment, a processing fee of \$35.00 will be deducted from my new check. If I require that this fee be waived, I must sign up for either direct deposit or a Pay Card. I understand that the Money Network pay card will have fees for transactions, and that I will be responsible for these fees if I choose this option. I understand that I may elect to have direct deposit to an existing pay card that is already in my name, as long as I provide supporting documentation to verify the routing & account number and name on the account. I understand that Acumen is not liable for any pay card fraudulent activity related to third party transactions. I understand that upon my request, Acumen may attempt a payment reversal. However, if the reversal is not successful, I understand that Acumen is not responsible and I will need to work with my institution to rectify said payment.
