Ohio Veteran-Directed Services Program Employee Packet (Keep this folder for your records)

You will need to complete the following steps to hire an employee:

- Interview applicants and decide who you think would be the best fit for your needs.
- Have background checks completed as required.
 - Once the employee is approved for hire by your Case Manager from VDC, have your employee complete and send the following forms and information to Acumen:
 - ☐ Employee Agreement Form
 - ☐ I-9 Employment Eligibility Verification
 - Your employee fills out **Section I**.
 - As the Employer, you fill out **Section II**. Employers must enter the date the employee began or will begin work for pay on the I-9. If the actual date of hire (first date of providing services for pay) for the employee changes from the date entered, it is the employer's responsibility to correct and re-submit the form to Acumen within three days of the actual date of hire.
 - For additional resources on completing the I-9, visit I-9 Central at <https://www.uscis.gov/i-9-central/form-i-9-resources>.
 - ☐ W-4 Employee's Withholding Allowance Certificate
 - ☐ IT-4 Ohio Employee's Withholding Exemption Certificate
 - ☐ Employee/Employer Relationship Disclosure for Tax Exemptions
 - ☐ Pay Selection Options Form
 - ☐ Employee Rate Information Form

Acumen will notify you when your employee can begin working. Do not allow any work to be performed prior to this notification. It will take approximately 5-7 business days before an applicant is cleared for hire. However, it could take longer.

Acumen recommends that you download the forms from our website to ensure that you have the most current versions. You may contact our Customer Service Center to be sure you have the most up-to-date forms or to request copies be sent to you.

Employee State and Local Tax Withholding

Ohio state and local income tax will be withheld from all employees' pay based on state and local income tax withholding guidelines. Employees who live in another state may be required to file and pay state withholding tax in Ohio and the state in which they live. Individuals in this situation should consult a tax advisor with any concerns they may have about their state tax liability.

Employee Changes and Termination

As the employer, it is your responsibility to notify Acumen when employee information changes or when an employee no longer works for you.

- Complete the Employee Change Form if an employee changes his or her name or address. This ensures that Acumen maintains accurate employee information to prevent interruption or delay of payment for services.
- Complete the Termination Form when an employee no longer works for you. This formally ends the employer employee relationship and notifies Acumen to NOT make any payments for that employee after his/her termination date. Failure to notify Acumen of an employee termination in a timely manner increases the risk of an unauthorized payment if your employee submits time without your knowledge.

Employee Files

Acumen recommends that you maintain a current, confidential and accurate file on each employee hired. This file should contain all employee documentation as previously listed. It is recommended that you keep a copy of all forms submitted to Acumen and note the date and time you submitted them.

Confidentiality

If you mail forms to Acumen, always make a copy first. If you fax forms to Acumen retain the original in your files. Remember that these forms contain sensitive and confidential information about you and your employees, and they need to be kept in a safe place. Employees must not disclose or knowingly permit the disclosure of any information concerning the Veteran, the employer, or his/her family to any unauthorized person.

Internet Options

We encourage you to try our easy and reliable internet options for reporting and electronic time sheet submission (DCI Web Portal) for the Veterans program.

Visit www.acumenfiscalagent.com, choose your state page under the Veteran Employers link and click on the "Web Time Entry" link. A username and password are required, this information will be provided by Acumen once all paperwork is complete!

Employee Overtime

Your employees are eligible for overtime pay if they work more than 40 hours in a week (from Sunday to Saturday). Overtime is paid at one and a half times their regular hourly rate. Consider hiring more than one employee if you require more than 40 hours per week of care as your spending plan is calculated assuming you will not use overtime. If you do not have enough funds in your Personal Care Fund, you will be responsible to pay your employee for the remaining amount you owe them.

Earned Income Credit

Some employees are eligible for Earned Income Tax Credit (EITC). EITC is a refundable federal income tax credit for low to moderate income working individuals and families. To qualify, taxpayers must meet certain requirements and file a tax return, even if they do not have a filing requirement. To learn more about the rules and income limits to qualify for EITC, contact the IRS at www.irs.gov/eitc or call 1-800-829-1040.

Fraud

Fraud is committed when an EMPLOYER or EMPLOYEE is untruthful regarding services provided in order to obtain improper payment. Fraud is a felony, and conviction can lead to substantial penalties.

Examples of Fraud include:

- Submitting a Time Entry for services that were not actually provided.
- Submitting a Time Entry for services provided by a different person.
- Submitting a Time Entry for services that were reimbursed by another source.
- Submitting a duplicate Time Entry for reimbursement from the same source.

As required by the State of Ohio, suspected cases of fraud will be referred to the state for further investigation and possible prosecution.

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.**Give Form W-4 to your employer.****Your withholding is subject to review by the IRS.****2026****Step 1:****Enter
Personal
Information****Physical
Address
Required
(No P.O. Box)**

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

**Step 2:
Multiple Jobs
or Spouse
Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

If applicable -->

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):			Required field even if "0" ↓
	(a) Multiply the number of qualifying children under age 17 by \$2,200	3(a)	\$	
	(b) Multiply the number of other dependents by \$500	3(b)	\$	
	Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here	3	\$	
Step 4: Other Adjustments Optional. Please refer to the instructions.	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$	
	(b) Deductions. Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here	4(b)	\$	
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$	
	If filing exempt, leave Steps 2, 3 & 4 blank, and check this box			

Exempt from withholding	I claim exemption from withholding for 2026, and I certify that I meet both of the conditions for exemption for 2026. See <i>Exemption from withholding</i> on page 2. I understand I will need to submit a new Form W-4 for 2027 ☐

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b)—Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming **zero exemptions**, and
- **Will not** withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does not need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at tax.ohio.gov. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

Section II

Line 1: If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

Line 2: If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

Line 3: You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

Line 5: If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

Note: If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- **Reciprocity Exemption:** If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- **Resident Military Servicemember Exemption:** If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- **Nonresident Military Servicemember Exemption:** If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- **Nonresident Civilian Spouse of a Military Servicemember Exemption:** If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:
 - Your spouse is stationed in Ohio on military orders; and
 - You are present in Ohio solely to be with your spouse.

You **must** provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Note: For more information on taxation of military servicemembers and their civilian spouses, see 50 U.S.C.A. 4001 and tax.ohio.gov/military.

- Statutory Withholding Exemptions: Compensation earned in any of the following circumstances is not subject to Ohio income tax or school district income tax withholding:
 - Agricultural labor (as defined in 26 U.S.C. §3121(g));
 - Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;
 - Services performed by an employee who is regularly employed by an employer to perform such service if she or he earns less than \$300 during a calendar quarter;

- Newspaper or shopping news delivery or distribution directly to a consumer, performed by an individual under the age of 18;
- Services performed for a foreign government or an international organization; and
- Services performed outside the employer's trade or business if paid in any medium other than cash.

*These exemptions are not common.

Note: While the employer is not required to withhold on these amounts, the income is still subject to Ohio income tax and school district income tax (if applicable). As such, you may need to make estimated income tax payments using form IT 1040ES and/or estimated school district income tax payments using form SD 100ES.

See R.C. 5747.06(A)(1) through (6).

Employees providing domestic services such as personal assistance may be exempt from paying certain federal and state taxes based on the employee's age, student status or family relationship to the employer. In some cases, the employer may also be exempt from paying certain taxes based on the employee's status.

IMPORTANT: Please see IRS Publication: #926 – Household Employer's Tax Guide, and IRS website article: "Foreign Student Liability for Social Security and Medicare Taxes" for additional information.

In some cases, the program participant is the employer of record. In other cases, the employer of record may be someone other than the program participant. Check program rules.

Pay Selection Options

Below are the options employees have for receiving their paychecks through Acumen. Please read the information about each option and select the one that is right for you. Paystubs will be sent through DCI Message Center. Your login information will be provided in your Good-to-Go letter. **You will need to provide additional information based on your selection; please read the instructions below and return all the necessary forms.**

Direct Deposit

With this option, your paycheck will be automatically deposited into your bank account on payday. There is no charge from Acumen to receive your pay via direct deposit. You won't have to wait for the mail or make a trip to the bank. On payday, paystubs will be sent via DCI messaging. You can have your paycheck deposited into one or two accounts, and you may change your account information at any time. **Please note:** If you choose to have a percentage of your check deposited into two accounts, you must indicate the percentage to be deposited into both the Primary Account and the Secondary Account, and the combined deposit amount must equal 100%. If no percentage is indicated for the Primary Account, 100% will be deposited into the Primary Account. To enroll, fill out the information on the Authorization for Direct Deposit section of the form and return it, along with the additional requested items, to Acumen. You will receive paper checks by mail until your bank information is verified – usually within two pay periods.

Pay Card

Pay cards – also called pre-paid debit cards – work just like a regular debit card but are used only for payroll deposits. Acumen does not charge for this option, although the card provider may charge fees for certain transactions. Pay cards are up to 80% less expensive to use than check cashing services. Paystubs will be delivered via DCI messaging on payday. To enroll, complete the Authorization for Pay Card section of the form and return it to Acumen. Money Network will send you an information kit. You will need to activate the card with Money Network and then contact Acumen with your account information. You will receive paper checks by mail until this process is complete. For a complete fee schedule, see:
<https://docs.moneynetwork.com/moneynetwork/prepaid-fees.html>

Please return the completed form to Acumen. You may send by email, fax, or mail listed below:

Email: enrollment-oh@acumen2.net

Fax: 866-862-6862

Mail: 5416 E. Baseline Rd. Suite 200 Mesa, AZ 85206

We make every effort to get your check to you by payday; however, it is impossible to guarantee the date that paper checks will arrive. Acumen is not responsible for any delays or misdirected mail after checks have been submitted to the U.S. Postal Service. If your paper check does not arrive within 5 business days of payday, you can call Acumen to issue a stop payment and have a new check issued. A processing fee of \$35.00 will be deducted from the new check for each stop payment request. This fee may be waived by signing up for direct deposit or pay card.

Ohio Veteran-Directed Services Program Paying For Your Supports Packet

Inside this folder you will find information, forms and instructions about how the payment process works. Remember:

- Acumen is only authorized to pay for supports that are approved and authorized by your Case Manager.
- Acumen can only process payments if there are units and funds available in the Veterans Spending Plan.
- As an employer, if you cause work to be performed over and above what you have been approved for, **you** are responsible for paying for those services.

Payment Schedule

A Payment Schedule has been provided in this folder. Please remember to follow this schedule so your employees and vendors get paid on time. Late submissions will be processed in the next payment cycle according to the schedule.

Reporting Employee Time

Any time your employee performs work, they need to report the hours worked to Acumen. There are two options to report the hours worked, Web Time Entry (online) or paper time sheets.

Web Time Entry/DCI

Web Time Entry / DCI (DCI), the preferred method of time submission, allows you and your employees to submit, review, and approve hours worked online. Accessible with any internet connection – home, work, library or phone – DCI can also help you manage your employees and service plans. DCI also provides you with real-time account statements, service authorization information, access to reports and employee information details.

DCI also gives you an added layer of fraud protection. As an employer, it is your responsibility to ensure the accuracy of all time sheets prior to approval and submission. DCI is password protected, which means that no information can be modified without your password entered. It is your responsibility as the employer to keep this password confidential. Available reports will show you hours paid out, allowing you to keep a close eye on your account. You can compare these reports with your personal records to verify that there have been no unauthorized payment requests.

If you are interested in using DCI or would like more information, visit www.acumenfiscalagent.com, or call our customer service team at 1-866-862-6861.

Overtime

Your employees are eligible for overtime pay if they work more than 40 hours in a week (from Sunday to Saturday). Overtime is paid at one and a half times their regular hourly rate. Consider hiring more than one employee if you require more than 40 hours per week of care as your spending plan is calculated assuming you will not use overtime. If you do not have enough funds in your Personal Care Fund, you will be responsible to pay your employee for the remaining amount you owe them.

Vendor Payments

Acumen will make vendor payments or reimbursement payments on your behalf as long as those services are approved in the Veterans Spending Plan. Your Case Manager will approve and submit your request for Vendor Payments. Please see the Payment Schedule for submission deadlines.

Time-Line for Vendor Payments

Vendor payments will be paid according to the same Payment Schedule included in this packet.

Employer Reimbursements

Show Me the Money

It costs you, the employer, more to employ someone than just their wages. By law, employers must pay a portion of an employee's Social Security and Medicare taxes, as well as Federal and State unemployment taxes. Workers' Compensation Insurance is part of your program, and is also an employer-related cost. The amounts you pay for each of these is a percentage of your employee's wage, and are as follows:

Social Security	6.20%
Medicare	1.45%
Federal Unemployment	0.60%
State Unemployment	2.70%
Workers Compensation	3.96%
Total	14.91%

What this means is that for every \$1.00 you pay in wages, you must add approximately 15 cents to pay for taxes and Workers' Compensation. Acumen calls this the "Cost to Budget," and we calculate and pay these amounts from your budget allocation on your behalf.

Simply fill in the blanks below to determine the "Cost to Budget."

	X	1.1491	=	
Employee Wage		Taxes & Workers' Comp		Cost to Budget (always round <u>up</u>)

The tables below are provided so you can estimate your cost to employ someone. The examples show a variety of wage amounts. The "Cost to Budget" column shows the wage multiplied by 1.149116. You can pay your employee an amount other than ones listed – just multiply the amount you want to pay by **1.149116** (the 16 cents per dollar mentioned above), round up to the nearest penny, and you'll have the estimated Cost to Budget. You may also call Acumen's customer service team, and they will help you calculate your cost.
