# The Children's Autism Waiver Program

Seeks Independent or Agency-based Providers

The Children's Autism Waiver Program provides in-home behavioral supports and services to children up to age 10 who have Autism. Therapies used include ABA, Relationship Development Intervention (RDI) and Floortime.

## We have an immediate need for:

- Board Certified Behavior Analysts (BCBAs)
- Senior Level Therapists
- Therapists
- Direct Support Workers

Enrolled families choose from an array of providers.
